

# The physical education major inaugurated the Internal Sports Competition

Cuenca, 16 January 2015

UPS authorities and students

The physical education major at Universidad Politécnica Salesiana inaugurated this year's internal sports competition in the University coliseum.

UPS Vice President Cesar Vasquez welcomed everyone who will be participating and congratulated the organizers. He asked everybody to enjoy the competition with their fellow students.

The physical education director Julio Chuqui said the aim of the competition is to strengthen friendship among students. He asked everyone to respect the rules and turn this into a great competition
